Cell phones: Just a reminder that students are not allowed to have cell phones in classrooms. It is disruptive to classmates and teachers. Light & Life Chapel

Sunday Service: 9:30am

Bible Study: 11:30am

One of the greatest joys of life is sharing great news with people. My wife and I love to send out invitations to family and friends so that they may share in the special moments of our lives. Today however we have a more wonderful invitation from the Lord himself.....join us as we accept Gods invitation to "come and reason with Him". Isaiah 1:18

Light and Life Christian School is in need of a new Industrial Stove, refrigerator, & freezer. If you know of anyone that can donate them please call the front office. Thank you!
